Subdivision /Development - Developer constructs sewer mains and service laterals- \$2,100.00 per EDU

COMMERCIAL SEWER CONNECTION FEE CALCULATION

Definition of Equivalent Dwelling Unit: Each commercial or nonresidential user whose estimated or actual water consumption does not exceed 165 gallons per day or 60,000 gallons per year. For connection fee calculation purposes, the number of units shall be calculated to the nearest tenth (1/10) unit, and multiplied by the single unit charge. The charges shall be subject to adjustment after one year of actual usage history has been established.

APPLICATION FEES:

- Tentative Review - 1% of estimated project cost; minimum fee \$200.00
- Preliminary Review - 1 1/2% of estimated project cost; minimum fee \$200.00
- Final Review - 1% of estimated project cost; minimum fee \$200.00

INSPECTION FEES:

- Lateral Installation - \$300.00 Inspection Escrow - Any charges beyond the \$300.00 will be billed to the Applicant. If the charges do not exceed \$300.00 the balance will be returned to the Applicant.
- Subdivision/Development - 5% of estimated project cost

ADDITIONAL FEES:

The Applicant shall reimburse the Township of Ocean, Department of Utilities for all engineering, legal, environmental, consultant and other administrative costs incurred by the Utilities Department in connection with the review, inspection, acceptance or rejection of Applicant's Utility Systems and conveyance of the same to the Utilities Department which are in excess of the application and inspection fees paid by the Applicant. Such additional fees shall be paid by the Applicant in accordance with the procedures set forth in the Township of Ocean, Department of Utilities' Rules and Regulations.
